Calvary Cemetery
Keyser Township
DeKalb County
Indiana

Records are held by Saint Joseph Catholic Church, Garrett,
Indiana

© 2008

This compilation of early records for Calvary Cemetery was prepared by Gretel Smith with the assistance of Beth Boger, Pastoral Associate for St. Joseph Catholic Church in Garrett, Indiana. Binding has been done by W. H. Willennar Genealogy Center.

These records are located in the Parish Church Office, 300 W. Houston Street, Garrett. Historically, the sale of lots, burials, and care of the cemetery was done by the church. A letter on the following page refers to the transition between caretakers and support. At the present time responsibility for Calvary Cemetery and current records are with the Keyser Township Trustee, Sue Blotkamp. The Mauer Family is still involved in upkeep.

Calvary Cemetery is located in Keyser Township on the southwest side of Garrett. It is on the west side of C. R. 9, or Hamsher Street extended. A diagram of the cemetery is included, although it does not show the mausoleum, which is along the north edge of the cemetery just west of the entrance lane.

Dear Monsignor Bob,

As a follow-up to our telephone conversation of last Thursday (November 15th), I am enclosing a copy of the letter which I spoke to you about. The same was given to me by the Keyser Township Trustee, Philip A. Conrad, at a meeting in his office on Tuesday, November 13th.

At this meeting, in addition to Mr. Conrad, were present: David Hawkins, Attorney; Ron Dicke, Insurance Agent; and Richard (Dick) Miles, Funeral Director of McKee-Miles Funeral Home in Garrett. The main concern of this meeting was Calvary Cemetery and which agent is responsible for the cemetery: the local Catholic Church or the township.

When I arrived to assume the pastorship of Saint Joseph's Catholic Church in July of 1983, my predecessor, Father Adam Schmitt, did not leave me with much information concerning the cemetery. He did, however, inform me that a bequest of five thousand dollars for the maintenance and upkeep of the cemetery was handed over to two men: Mr. Conrad, the Township Trustee and Mr. John Ley, a Catholic layman and owner of John Ley Monuments in Avilla, Indiana. No other information was given to me as to my pastoral responsibilities regarding the cemetery.

I spoke briefly with Father Donald Isenbarger, who was Pastor of Saint Joseph's before Father Schmitt and he informed me that during the pastorate of Father Leon Pisula, the upkeep and maintenance of the cemetery was turned over to the Township Trustee. It was Father Schmitt, who, as Pastor, assumed a more personal involvement with the cemetery and on what criteria, I do not know!

I need your help as the Diocesan Director of the Catholic Cemeteries to clarify for me and for the local officials the ownership, the sale of lots, and the subsequent responsibilities of maintenance and upkeep of same. In the meantime, I am researching whatever documents and information that may be found here in the parish files.

Your prompt attention and assistance in this matter would be appreciated by all parties concerned, especially yours truly.

Respectfully yours in Christ,

Father Edward J. Krason, Pastor

June 13, 1974

Dear Fr Hoevel

On Jan. 1974 my Mother was buried at Calvary Cemetery. At that time I spoke with you relative to grave sites. After the funeral & return home my oldest daughter died so I have been confused, but am now getting around to settling matters.

In the 40's either my Parents were confused or the records of the Cemetery were. Anyway I insisted my father purchase a Cemetery lot. He did which is evidenced by the enclosed Xerox copy of his purchase. I understand the purchase was for 5 grave sites.
I believe that 3 of the sites are now used by - Joseph A Schiffgen (my father) Alice H. Schiffgen (my mother) James Mullaly (my Uncle)
I am not from Detroit, although I like it very much.
It is my intention to give to St Joseph Church the two unused lots - or spaces - which I understand are included in lot 596. The Church may use them as it sees fit.
However - and you know there is always a problem. I'm not well to do - so in order to donate these I need a value placed on them. This is Commercial I know - but for myself I need it. I don't even have a lot for my wife & myself.
I'll sign what ever is needed to donate the additional sites & clear the record - but please give me some value that I can claim as a donation. It seems menacing, but this is where I find myself today

Dear Agnes:

Received your recent letter concerning burial space in Calvary Cemetery and note from Father Isenbarger.

Please be advised that we checked the information you sent to us and are pleased to advise you that there are two grave spaces left on the Bernard Johnson lot. The lot number is 593 as originally written on the deed and not lot number 594.

We have talked to Father Isenbarger and he has noted this correction on his records. The two spaces are south of the Bernard Johnson marker.

We trust that this information is satisfactory and if we can be of any further help, please feel free to call on us.

Sincerely,

Rev. Adam Schmidt,
St. Joseph Church
Garrett, In.

Dear Father Schmidt:

I am writing in regards to Lot #625 in Calvary Cemetery, in Garrett, in the names of Anthony and/or Marguerette Liss.

The lot is large enough for four graves. I have made an oral agreement with my brother, Joseph, who lives at 319 Hamsher St., Garrett, and also with my sister, Mary Liss, who lives at 903 S. Phillip St., Auburn, In., that if they wish, they can be buried in the other extra lots. Marguerett my wife, and I are undecided as to where we are to be buried, here in Florida or in Calvary Cemetery.

Our wishes are that a notification be added to our Original Burial Lot Certification. If there are any legal papers that are needed, or any papers to be notorized, or any expenses involved, we would appreciate you letting us know. Our main concern is that Joe and Mary have a place to be buried.

Enclosed is our copy of the Burial Lot Certificate.

For health reasons and doctors wishes, we have moved, just recently, from Danville, Il. to Winter Haven. I do not know whether you remember me I have met and talked with you sometime ago. I am a brother of Catherine Dreher, and Mrs. Wanda McClure of Auburn.

Thanking you in advance,

I remain,
Faithfully yours in Christ,

Anthony Liss

Per Dick Miles

To determine how many graves are in a plot - measure short edge on blueprint against scale on blueprint. This measurement equals feet. Multiply feet by 12" ÷ by 40". = # of graves.

Each grave is 40" wide from short end.

Each grave must be probed before burial.
